

Youth Covid Protocols

As youth leaders, it is our goal to keep you kids safe while they are with us on Tuesday nights. We will be doing our best to adhere to BC Worksafe's for K-12 Covid requirements. As a faith-based organization we are required to follow the cohort system. Here is what we are doing:

- We will require that youth register for Mission Hills Youth, to assist in tracing and emergency contact.
- We will require all youth to complete a Covid health assessment before they attend any event.
- We will cap our numbers at 60 people for any event.
- We will have hand sanitizers at all entrances and youth will be required to use as they enter.
- We will serve the food so it is not a free for all – no youth will be touching the food. Masks and gloves for the servers.
- We will have the youth spread out, the best we can, to provide adequate space between them during discussions and talks.
- Youth will be required to wear their mask when social distancing cannot be maintained.
- Youth will also sanitize after eating and games.
- Masks must be worn in the games room and a limited number of youth can be in the room at one time.
- All rooms have been disinfected prior to our youth meetings.

Leaders:

- Will wear masks at all times during indoor Youth events.
 - Will maintain social distance as much as possible.
 - Will maintain health and safety standards outlined above.
-

Daily Health Checklist:

Fever

Chills

Cough or worsening chronic cough

Shortness of breath

Loss of sense of smell or taste
